GENERAL COLLECTION OF EVERBLOOMING ROSES.

Bridesmaid—We have a large lot of late fall struck cuttings that will make fine plants for early planting. No better money maker in Rose family.

Clotilde Soupert—A grand little Rose for bedding or pot sales. Used largely for cemetery planting. Flowers delicately tinted flesh white. One of the most persistent bloomers and strongest growing of the Polyantha class.

Climbing C. Soupert—Flowers same form and shading as its parent with good rapid climbing habit. Good garden and pillar Rose, and treated in same manner as Crimson Rambler, makes beautiful display when forced in pots, for which use we anticipate a growing demand.

Etoile de Lyon—Flower rich golden yellow, nicely shaped in bud or flower and one of the most hardy of Teas.

Gen. MacArthur—In color, it is an impressive shade of crimson-scarlet (brighter than either Liberty or Meteor), which does not fade. Plant strong, vigorous grower, valuable alike for greenhouse bench or rose-garden. $5.00 per 100. Strong grafted stock from 3 inch pots, $10.00 per 100.

Golden Gate—A perfect forcing Rose, good at any season of the year. One of the easiest to manage. Buds long and pointed, opening out into a splendidly formed flower of creamy white, delicately tinged golden yellow and rose.

Hermosa—Grown by the thousand for Decoration Day sales. No better pink Rose for pot culture.

Gruss an Teplitz—One of the most desirable bright red Roses for pot sales or outdoor bedding.

Intensity—A Hybrid Tea introduced by us last year, that has many superior qualities. It is a cross between Gruss an Teplitz and MacArthur. Its color is intense crimson scarlet, approaching crimson-maroon in the older flowers. Its habit of growth makes it one of the finest Bush Roses for outdoor planting. $6.00 per 100.

Ivory (White Golden Gate)—Has met with great success as a forcing Rose; is taken as a standard Rose in all cut-flower markets. Handled as easily in all seasons as the old type.

Kaiserin Augusta Victoria—Grown in immense quantities the country over. Flowers creamy white, with fine pointed buds. We offer fine fresh stock for May and later delivery.

Mamam Cochet—No pink Rose has made as many friends as a summer Rose as Mamam Cochet. Its buds are beautifully pointed and of an exquisite shade of deep pink.

Meteor—One of our best dark red Roses, grand when nicely grown. Stock of this very good.

Mme. Derepas Matrat (Yellow Cochet)—Flowers large sulphury yellow; a good companion for the White and Pink Cochets. $4.00 per 100.

Richmond—Of strong, rapid growth, showing a disposition to grow all the time. Produces high class bloom with nicely pointed bud, of a bright, glowing crimson scarlet shade that is slow to fade or turn purple. Own Root Stock. $5.00 per 100. Grafted Stock, $12.00 per 100.

Olivia (New)—One of the best deep rose-colored Hybrid Tea Roses grown; a seedling of Balduin (Helen Gould) and Gen. MacArthur. Color and shape of flower resemble Balduin, while its strong growing, free-blooming qualities favor MacArthur. Buds nicely pointed—like La France—and flower very double; strong Tea fragrance. $6.00 per 100.

Queen's Scarlet—Still one of the best Roses for bedding and market plants. Nothing more showy than a bed of this with its brilliant red flowers. One of the hardiest ever-blooming Roses.

White Mamam Cochet—One of the best white bedding Roses, similar in every respect but color to Mamam Cochet and may be grown and flowered just as easily. Flowers good sized and the purest white.
